REQUEST FOR PROPOSAL (RFP)
RFP-FY20-092-DRC-027

OVERVIEW OF CORUS INTERNATIONAL

WHO WERE ARE

Founded in 1945, Lutheran World Relief (LWR) is a U.S.-based 501(c)3 organization with a mission to end poverty, injustice, and human suffering. LWR focuses its work on humanitarian assistance and long-term development, laying a foundation for resilience, sustainable adaptation to climate change, and the strengthening of value chains.

Headquartered in Baltimore, Maryland, LWR has an annual operating budget of $50 million, with funding from Lutheran individual and congregational donors, U.S. Agency for International Development (USAID), the United States Department of Agriculture (USDA), the Bill & Melinda Gates Foundation, the Margaret A. Cargill Philanthropies, and others. LWR’s programmatic approaches promote collaboration between public and private institutions to achieve shared impact. In the past 10 years, LWR has successfully executed more than $60 million in restricted funding from the U.S. government, foundations, and the private sector.

IMA is a global, faith-based nonprofit that helps developing communities overcome their public health challenges. Founded in 1960 as Interchurch Medical Assistance, today's IMA works alongside governments, non-governmental organizations, faith-based and secular agencies to bring the best in science and public health programming to some of the world's most challenging environments. With offices in six countries and more than $100 million in annual revenue, IMA is a vibrant, growing agency working to achieve health, healing and well-being for all.

IMA offers sustainable and efficient solutions to health-related problems that are far too common in the developing world. IMA believes all people are children of God and thus deserve to lead healthy and productive lives. The founding members of IMA World Health, Protestant Churches and church-based organizations chose to be intentionally ecumenical to provide health services and to build healthy communities around the world. We can do more together than alone; that spirit of joint action remains foundational to IMA today.

IMA World Health and Lutheran World Relief combined in 2020 to create Corus International. Corus International is the parent organization of Lutheran World Relief and IMA World Health, two brands that operate as a single organization.

IMA plans to implement The Support to the Health System in DRC, known locally as Appui au Système de Santé en RDC or ASSR. The program aims to improve access to critical, quality health services and also strengthen the Ministry of Health’s ability to sustain them. Maternal, adolescent, and child health will be improved through strengthening priority interventions such as the treatment of malaria, pneumonia and diarrhea; nutrition; obstetric and neonatal care; family planning and immunization that are delivered through the health system. ASSR supports 50 zones in 4 provinces (Kasai, Kasai Central, Nord Ubangi, and Maniema).
IMA World Health invites qualified bidders to submit proposals for supply and delivery of pharmaceuticals to Kinshasa, DRC per both CPT Matadi sea port, and CPT Kinshasa Airport, DRC (INCOTERMS 2020). Bidders are requested to submit an intention to bid as soon as possible after receiving the RFP.
