

IMA WORLD HEALTH TERMS AND CONDITIONS

1. CONFIDENTIALITY

Contractor acknowledges that any information obtained in performing this Contract regarding IMA WORLD HEALTH's operations, products, services, policies, systems, programs, procedures, employees, strategies, research, budgets, proposals, finances, plans, donor or business relationships, or any other aspect of its business that is not generally known to the public, is confidential and proprietary. During and after the Term, Contractor will hold such information confidential and will not:

(i) use such information for any purpose other than performance of this Contract; or (ii) disclose such information, directly or indirectly, to anyone outside IMA WORLD HEALTH, without in each instance the prior written consent of IMA WORLD HEALTH.

2. COMMUNICATIONS

IMA will be responsible for all communications with the Donor on issues related to the Project. The Contractor will not communicate directly with the Donor concerning the Project and will always channel communications regarding the Project through IMA.

3. TERMINATION

This Contract may be terminated by either Party at any time prior to or at the scheduled expiration date with or without cause by issuance of a thirty (30) days written notice. In the event of such termination, IMA World Health will pay the Contractor for the actual amount of services rendered up to the point of termination.

Termination for Default. IMA World Health may terminate the Agreement at any time, or from time to time, in whole or in part, by written notice effective on the later of the date of the notice or the effective date specified in the notice, if any one or more of the following should occur:

(I) Contractor becomes insolvent or makes a general assignment for the benefit of creditors;

(II) A petition under any bankruptcy act or similar statute is filed by or against Contractor;

(III) Contractor fails to make all products available within the time provided in

quotations received in response to the Request for Quotations.

(IV) Contractor fails to perform an obligation under any provision of this Contract, or so fails to make progress as to substantially endanger performance of this Contract in accordance with this terms, provided that, Contractor fails to remedy any such condition within twenty (30) days from the receipt of a written notice from IMA World Health concerning the existence of the failure; or

(V) Contractor's financial condition becomes such as to endanger completion of performance (subject to the same provision as Contract paragraph (IV) above).

B. Termination for Convenience. IMA World Health shall have the unilateral right, at any time and from time to time, to terminate for convenience (regardless of whether the Contractor is in breach of any obligation under this Contract), effective on the later of the date of the notice or the effective date stated in the notice, all or any portion of the Contract, by the issuance of written notice to the Contractor. Upon receipt of the notice, Contractor shall immediately discontinue performance and shall comply with IMA World Health's instructions concerning completed and partially completed deliveries.

Termination for convenience shall not affect IMA World Health's obligations with respect to items delivered prior to such termination. For any products already manufactured and not delivered, both contractor and IMA World Health shall equally share any associated manufacturing costs where applicable.

4. PROHIBITION ON ADVERTISING

The Contractor shall not advertise or otherwise make public that it is furnishing services to IMA WORLD HEALTH without specific permission of IMA WORLD HEALTH in each instance.

5. INTELLECTUAL PROPERTY

Contractor warrants that the use or supply by IMA World Health of the goods sold under this Contract does not infringe any patent, design, trade-name or trade-mark. In addition, the Contractor shall, pursuant to this warranty, indemnify, defend and hold IMA World Health harmless from any actions or claims brought against IMA World Health pertaining to the alleged infringement of a patent, design, trade-name or trade-mark arising in connection with the goods sold under this Contract.

6. INDEMNIFICATION

Each Party shall indemnify, defend and hold harmless the other Party and any

affiliated and controlling entities of such Party, and the directors, employees, officers, agents, sub-Contractors, licensors and suppliers from and against all third party liabilities, claims, suites, demands, actions, fines, damages, losses, costs and expenses (including reasonable attorney's fees) ("Claims") for injury to or death of any person or damage to or loss of improvements to real property or tangible personal property to the extent caused by or resulting from such Party's negligent acts or omissions or willful misconduct, except to the extent caused by the Indemnitee.

7. FORCE MAJEURE

A. If the Contractor fails to perform any of its obligations under this Contract due to a force majeure event, the Contractor shall, to such extent, not be liable to the IMA WORLD HEALTH for any excess costs directly arising from such failure to perform, and the availability for sampling schedule shall be deemed extended by the duration of that event, provided that the Contractor notifies the IMA WORLD HEALTH in writing, within ten (10) days after the beginning of the force majeure event, of the failure(s) and the cause(s) thereof. The term "force majeure event" is defined as a cause, not in existence on the Effective Date of the Contract that is beyond the control and without the fault or negligence of the Contractor, of a type whose occurrence was not reasonably foreseeable at the time the Contract was executed. Examples of force majeure events include, without limitation, the sovereign acts of governments, fires, floods, epidemics, revolutions, quarantine restrictions, freight embargoes, or prolonged unusually severe weather conditions. A delay by an approved assignee or sub-Contractor shall not constitute a force majeure event, unless the cause of the delay, if it had occurred directly to the Contractor, would have qualified as such an event.

B. Notwithstanding the occurrence of a force majeure event, the Contractor, unless otherwise directed by the IMA WORLD HEALTH in writing, shall continue to perform its obligations under this Contract to the maximum extent practicable. In addition, the Contractor shall seek, at no additional cost, all reasonable alternative means of performance not precluded by the force majeure event.

C. The occurrence or continuation of a force majeure event shall not, by itself, entitle the Contractor to any increase in the prices stated in this Contract.

8. PROHIBITION OF TERRORISM ACTIVITIES

- a) As a acceptance of this Contract, the Contractor hereby certifies that it has not provided and will not provide material support or resources to any individual or entity that it knows, or has reason to know, is an individual or entity that advocates, plans, sponsors, engages in, or has engaged in terrorist activity, including but not limited to the individuals and entities listed in the Annex to Executive Order 13224 and other such individuals and entities that may be later designated by the United States under any of the following authorities: § 219 of the Immigration and Nationality Act, as amended (8 U.S.C. § 1189), the International Emergency Economic Powers Act (50 U.S.C. § 1701 et seq.), the

National Emergencies Act (50 U.S.C. § 1601 et seq.), or § 212(a)(3)(B) of the Immigration and Nationality Act, as amended by the USA Patriot Act of 2001, Pub. L. 107- 56 (October 26, 2001) (8 U.S.C. §1182). The Contractor further certifies that it will not provide material support or resources to any individual or entity that it knows, or has reason to know, is acting as an agent for any individual or entity that advocates, plans, sponsors, engages in, or has engaged in, terrorist activity, or that has been so designated, or will immediately cease such support if an entity is so designated after the date of the referenced Contract.

- b) For purposes of this certification, "material support and resources" includes currency or other financial securities, financial services, lodging, training, safe houses, false documentation or identification, communications equipment, facilities, weapons, lethal substances, explosives, personnel, transportation, and other physical assets, except medicine or religious materials.
- c) For purposes of this certification, "engage in terrorist activity" shall have the same meaning as in section 212(a)(3)(B)(iv) of the Immigration and Nationality Act, as amended (8 U.S.C. § 1182(a)(3)(B)(iv)). For purposes of this certification, "entity" means a partnership, association, corporation, or other organization, group, or subgroup.
- d) This certification is an express term and condition of the Contract and any violation of it shall be grounds for unilateral termination of the Contract by IMA WORLD HEALTH prior to the end of its term.

9. GOVERNING LAW

- a) The governing language of the Contract shall be English, and all notices and other communications relating or pursuant to the provisions of the Contract (including, without limitation, those in connection with issues, settlement of disputes) shall be in English.
- b) The Contract, its formation, and the facts and circumstances surrounding its making and performance, shall be interpreted in accordance with the following, listed in order of precedence: (1) the express terms and conditions of the Contract, and (2) the laws in effect in **Washington DC**.

10. SETTLEMENT OF DISPUTES

a) Amicable Settlement: Issues

The Parties shall exert their best efforts, in good faith, to consult together to resolve all issues that may arise in connection with this Contract, its formation, or the surrounding facts and circumstances, in an equitable and mutually satisfactory manner. An issue that cannot be resolved in this way shall be treated as a disagreement under Article b) below ("Disagreement").

b) Arbitration: Disagreements and Disputes

- i. In the event of a Disagreement arising under or relating to this Contract, its formation, or the surrounding facts and circumstances, either Party (the "Initiating Party") may submit to the other Party (the "Receiving Party") a written statement, specifically designated as a Notice of Disagreement, briefly describing the nature of the problem, the position of the Initiating Party regarding the problem, a narrative of the material facts and arguments in favor of the Initiating Party's position, and a statement of the actions or other relief requested.
- ii. Within thirty (30) days after receipt of a Notice of Disagreement, the Receiving Party shall issue a written decision ("Decision"), designated as such, with supporting findings and reasons, and promptly communicate the same to the Initiating Party.
- iii. Within ninety (30) days after the issuance of a Decision, either Party may deem the disagreement to be a dispute ("Dispute") and refer it to arbitration. All Disputes arising under or relating to this Contract, its formation, or the surrounding facts and circumstances, -- regardless of their legal nature, category, or amount -- shall be finally settled under the international arbitration rules of the American Arbitration Association ("AAA"), as then in effect, by one or more arbitrators appointed in accordance with the said rules and the provisions of this Article.
- iv. In any AAA arbitration, the Parties agree as follows: (1) each Party shall bear its own costs, and the AAA's costs and fees shall be assessed as the arbitrator deems appropriate; (2) the place of arbitration shall be Washington DC., or any other location on which the Parties may subsequently agree; (3) the language of all proceedings, communications, and the award, shall be English; (4) the Parties shall mutually agree on a single arbitrator (failing which, either Party may request the AAA to make a designation); (5) unless otherwise agreed in writing by the Parties, the arbitrator shall decide the case solely upon submission of written documentation and statements, examining such materials and resolving the matter by issuance of a written decision which may include a monetary award (but not a penalty, however described), as appropriate.
- v. The procedures of this Article shall be the sole and exclusive method for resolution of all Disagreements and Disputes in connection with this Contract, its formation, and the facts and circumstances surrounding its making and performance. Parties specifically represent and warrant that an arbitration award issued pursuant to this Article will be enforceable under laws of Contractor's country. Any such award shall be final and binding on the Parties. Judgment may be entered upon the award in a court of competent jurisdiction, or application may be made to such court for a judicial acceptance of the award and an order for enforcement.

- vi. Notwithstanding the existence of a Disagreements or Dispute under this Sub Article, or of an issue pursuant to Sub Article 9.a) and b), the Parties shall, unless otherwise mutually agreed in writing by the Parties, continue to perform their obligations under the Contract.
- vii. If a judicial proceeding is brought (1) to resolve a Dispute subject to arbitration hereunder, or (2) to challenge the validity of an award rendered hereunder, each defendant in that proceeding, if it prevails, shall receive its costs, fees and reasonable attorneys' fees, including costs and fees on appeal. If a Party fails to comply with an award rendered hereunder, and the other Party is forced to seek enforcement of the award in court, each plaintiff in that proceeding, if it prevails, will be entitled to receive its costs, fees and reasonable attorneys' fees, including costs and fees on appeal.
- viii. The arbitral tribunal shall have no authority to award punitive damages.

11. ASSIGNMENT AND INSOLVENCY

- a) The Contractor shall not, except after obtaining the written consent of IMA WORLD HEALTH, assign, transfer, pledge or make other disposition of this Contract, or any part thereof, or any of the Contractor's rights or obligations under this Contract.
- b) Should the Contractor become insolvent or should control of the Contractor change by virtue of insolvency, IMA WORLD HEALTH may, without prejudice to any other rights or remedies, immediately terminate this Contract by giving the Contractor written notice of termination.

12. CHANGES & AMENDMENTS

Changes in the terms, conditions, or specifications stated in this Contract may be made only by Contract between the parties. Neither party may assign its rights or responsibilities under this Contract without the prior written consent of the other party.

13. RIGHTS OF IMA WORLD HEALTH

In case of failure by the Contractor to fulfill its obligations under the terms and conditions of this Contract or to make delivery of all or part of the goods/supplies by the agreed delivery date or dates, IMA WORLD HEALTH may, after giving the Contractor reasonable notice to perform and without prejudice to any other rights or remedies, exercise one or more of the following rights:

- a. Procure all or part of the services from other sources, in which event IMA WORLD HEALTH may hold the Contractor responsible for any excess cost occasioned thereby.

- b. Cancel this Contract without any liability for termination charges or any other liability of any kind to IMA WORLD HEALTH.

14. RELATIONSHIP

It is understood and agreed that the Contractor is furnishing the goods and/or services under this Contract as an independent entity, and nothing contained in this Contract will create any association, partnership, joint venture, employer-employee or agent-principle relationship. The relationship established by this Contract shall be solely between IMA and the Contractor; with the Contractor retaining full and complete liability for the actions or inactions of any subcontractors or agents.

15. INSURANCE

In addition to any other insurance coverage required by Law, the Contractor shall, at all times during the period of performance of this Contract, carry and maintain adequate insurance to cover any and all claims, losses or damages arising from activities conducted for the purposes of this Contract.

16. INSEPTION & ACCEPTANCE

The Contractor shall only tender for acceptance those items that conform to the requirements of this Contract. Acceptance of goods/deliverables is understood to take place either upon signature of a goods received note by an authorized individual, or upon written email confirmation sent by an authorized individual. IMA reserves the right to inspect or test any supplies or services that have been tendered for acceptance. IMA may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in Contract price. If repair/replacement or reperformance will not correct the defects or is not possible, IMA may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services.

17. TRAFFICKING IN PERSONS/PROHIBITED LABOR

IMA has a zero tolerance policy regarding all forms of trafficking in persons, including but not limited to: Forced labor, sex trafficking, bonded labor, debt bondage among migrant laborers, involuntary domestic servitude, forced or indentured child labor, and child soldiers. Contractor and employees, lower-tier contractors and/or consultants of the Contractor shall not engage in any form of trafficking in persons during the period of performance of this Contract. Additional information can be obtained from IMA Contracting Officer.

The Contractor shall not use the labor of any person undergoing a sentence of imprisonment imposed in any court of the United States or its outlying territories in performance of this Contract nor shall the Contractor knowingly furnish to IMA any products mined, produced, or manufactured by such labor. Should any products provided be found to have been provided in violation of this clause the Contractor shall immediately refund any amounts paid by IMA for said Products.

18. CODE OF CONDUCT FOR THE PROTECTION OF BENEFICIARIES OF ASSISTANCE FROM SEXUAL EXPLOITATION AND ABUSE IN HUMANITARIAN RELIEF OPERATIONS

As a condition of this Contract, the Contractor agrees to adhere to a code of conduct for the protection of beneficiaries of assistance from sexual exploitation and abuse in humanitarian relief operations conducted hereunder consistent with the six core principles listed below set forth by the UN Interagency Standing Committee on Protection from Sexual Exploitation and Abuse in Humanitarian Crises:

- (a) Sexual exploitation and abuse by humanitarian workers constitute acts of gross misconduct and are therefore grounds for termination of employment.
- (b) Sexual activity with children (persons under the age of 18) is prohibited regardless of the age of majority or age of consent locally. Mistaken belief in the age of a child is not a defense.
- (c) Exchange of money, employment, goods or services for sex, including sexual favors or other forms of humiliating, degrading or exploitative behavior is prohibited. This includes exchange of assistance that is due to beneficiaries.
- (d) Sexual relationships between humanitarian workers and beneficiaries are strongly discouraged since they are based on inherently unequal power dynamics. Such relationships undermine the credibility and integrity of humanitarian aid work.
- (e) Where a humanitarian worker develops concerns or suspicions regarding sexual abuse or exploitation by a fellow worker, whether in the same humanitarian aid agency or not, he or she must report such concerns via established agency reporting mechanisms.
- (f) Humanitarian workers are obliged to create and maintain an environment that prevents sexual exploitation and abuse and promotes the implementation of their code of conduct. Managers at all levels have particular responsibilities to support and develop systems that maintain this environment.

19. ANTI-BRIBERY/KICKBACK/LOBBYING CERTIFICATION

By signing this Contract, the Contractor hereby certifies that the Contractor or any agents thereof:

d) have not and will not include, directly or indirectly, the amount of any bribes or kickbacks in the price of this Contract and will notify IMA immediately if any IMA staff member requests any form of gift, commission, or personal discount.

In no event shall IMA be obligated under this Contract to take any action or omit to take any action which IMA believes in good faith would cause it to be in violation of any laws, including without limitation the U.S. Foreign Corrupt Practices Act.

20. OTHER COMPLIANCE

24. LIQUIDATED DAMAGES

Time is of the essence in performing this Contract. Failure by the Contractor to deliver the full quantity and quality required by the Contract on time will negatively impact the critical health-related overseas development program.

Accordingly, both Parties agree that, except with respect to periods in which force majeure legitimately applies, IMA World Health may assess liquidated damages in the event that the Contractor fails to ship and deliver in compliance with quoted delivery times. The term “force majeure” is defined as a cause, not in existence on the Effective Date of this Contract that is beyond the control and without the fault or negligence of the Contractor or its sub-contractor, Contractor or agents, of a type whose occurrence was not reasonably foreseeable at the time the Contract was executed.

The amount of liquidated damages for each order will be **(2.5)** percent of the total value of the affected shipment per month not to exceed a total of ten **(10)** percent of the applicable Contract Price. Liquidated damages may be deducted by IMA World Health from any payments or other amounts (whether or not relating to the Contract) due to the Contractor whenever feasible. To the extent that deduction is not feasible, Contractor agrees to refund the amount determined in accordance with this Article promptly upon demand.

25. MONITORING & SITE INSPECTION

IMA reserves the right to inspect the services provided by the Contractor at any time and at any location it deems necessary to ensure full compliance with the terms and conditions of this Contract.  - (3) correct or replace such defective Services and Item(s) with similar Services or Item(s) and recover the total cost (including shipping costs) thereof from Contractor.  - (g) Any Services or Item(s) corrected or replaced pursuant to this Article shall be subject to all provisions of this Article to the same extent as Services and Item(s) initially delivered.
 - (h) The aforesaid warranties shall survive acceptance and payment and shall run to IMA, its customers and the users of these Services and Item(s) and shall not be deemed to be the exclusive rights of IMA but shall be in addition to other rights of IMA under law, equity, and the terms of this Order.

30. CONTRACTOR PERFORMANCE STANDARDS

(a) Contractor agrees to provide the services required hereunder in accordance with the requirements set forth in this Contract. Contractor undertakes to perform the services hereunder in accordance with the highest standards of professional and ethical competence and integrity in Contractor's industry and to ensure that employees assigned to perform any services under this subcontract will conduct themselves in a manner consistent therewith.
